3. The calculated merit is the aggregate under graduate marks reduced to 30, minus 1 for every extra attempts in under graduation, minus 3 for every extra attempt in post graduation. For every additional qualification one mark has been awarded up to maximum of 5.
Calculated Merit has been appropriately weighted to balance the distributions of the MBBS and the non-MBBS stream of the applicants.
4. For each position advertised 3 candidates have been shortlisted based on calculated merit.
5. Candidates with DM/MCh degree have been shortlisted irrespective of their calculated merit.
6. Where ever sufficient number of applications are not available, applicants who have applied for lower positions have also been shortlisted for interview against the post that they qualify for.
7. In case of a tie at the lowest merit all candidates with the lowest merit have been shortlisted.
8. This notification supersedes all communication sent regarding Shortlisting/Interview before this date which are no longer valid.
9. Any representation against this list must be submitted at facultyinterviews@aiimspatna.org by midnight, 10th Nov 2012 on which decision will be taken by the designated member of the Interview board.
10. Any representation received after the date will be rejected.
